

AMC

Proposed 2012 Platform Additions

AMC opposes the requirement that counties share the cost of civil commitment of sex offenders and supports comprehensive reform of current policies in order to reduce the cost of civil commitment (language amended in: *including a review of the commitment process*) while maintain an adequate level of protection for the public.

Action Requested of HHS Policy Committee: Support inclusion in 2012 platform

Action Requested: support the following Public Safety Policy Committee position:

AMC supports statewide policies that restrict the production and sale of synthetic drugs.
