- Each AMC District may appoint up to three delegates to each policy committee, provided that any district composed of more than 12 counties may appoint one member to any policy committee for each member county. Each county must have at least one delegate appointment to a policy committee. In those districts that have a population three times as large as the next smaller district, the district may appoint up to one delegate from each member county to each policy committee.
- District appointments to each policy committee shall be made in accordance with the appointment procedures adopted by each district.
- Each district must appoint at least one alternate for each policy committee chosen in accordance with appointment procedures adopted by each district. In the event that a district appoints more than one alternate, the district shall designate the rank order of each alternate (e.g., #1, #2, #3).
