

HIPAA AT THE MN DEPARTMENT OF HUMAN SERVICES (DHS)

SOLUTION TO HIPAA

Impact on MMIS

- ⌚ **Current EDI processes are non-compliant**
- ⌚ **I.T.S. is non-compliant**
- ⌚ **No more local procedure codes**
- ⌚ **New standards allow for new capabilities**
- ⌚ **New security and tracking procedures**
- ⌚ **Point of Sale needs to be upgraded**

Solution Overview

∩ Web-based E-Commerce System

- Browser-based GUI

∩ Messaging Gateway

∩ Mailboxing System

∩ EDI Translator

∩ New relational database

∩ Participate in Payer/ Provider Collaborative

Web-based E-Commerce

Key Features

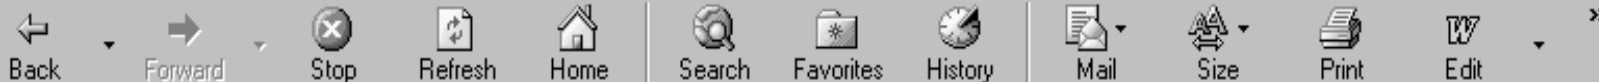

- ∩ Single point of access to HCO/HCS
- ∩ Uses web-based technologies
- ∩ Multiple levels of security
- ∩ Accepts batches of transactions
- ∩ Accepts online transactions
- ∩ Sends and Receives transactions

Potential Online Applications

- ⌚ **Claims Entry and Correction**
- ⌚ **Electronic Remittance Advice**
- ⌚ **Eligibility Verification**
- ⌚ **Prior Authorizations**
- ⌚ **Service Agreements**
- ⌚ **Screening Documents**
- ⌚ **Provider Enrollment**

MN - ITS Batch and Interactive

- ⌚ **Direct Data Entry (DDE) Solution**
- ⌚ **MN-ITS Interactive replaces current I.T.S. and Web EVS**
- ⌚ **Target Dates**
 - **Begin Training January 2003**
 - **In Production April 2003**

MN-ITS: *Batch*

Welcome to the MN-ITS: *Batch* system.

→ Messages

On the left side of the screen, you can choose to view messages sent to you from DHS ("Messages") or RA's and other X12 response transmissions ("Transaction Responses"). A red arrow (→) by either of these options signifies that there is new information here that you have not yet seen.

Transaction Responses

You may also look at the transactions that you have already uploaded to DHS ("Submitted Files").

Submitted Files

If you would like to submit a transaction file to DHS for processing, choose "Submit Transaction" from the left and follow the instructions.

Submit Transaction

Also, don't forget to log this session out by clicking on "Logout" when you are finished here.

Logout

On the left side of the screen you can:

1. Choose "New Claim" to select from nine different claim styles and complete for DHS submission. Within "New Claim", Command buttons allow a user to:
 - Have DHS validate claim data before submission.
 - To submit a claim directly to DHS. A response to the claim being sent is created and forwarded to the user.
2. Choose "Submitted Claim" to perform functions on claims that you have already submitted.
3. Choose "Other Services" to create other supported transactions not listed above. These options include:
 - Eligibility lookup
 - Authorization
 - Services Agreement
4. Choose "Return" when you want to navigate to the previous MN-ITS menu.
5. Choose "Logout" when you are finished using MN-ITS.
