POSITION OPENING

Engineering Tech I, II or III

Faribault County Central Services is accepting applications for an Engineering Tech I (B23) or Engineering Tech II (B24) or Tech III (B31) in our Public Works Department. This is a union position.

Responsibilities and Qualifications include:

Tech I

Salary Range: \$18.93 - \$23.44/hr. depending on qualifications/requirements:

- High school diploma or equivalent and prefer enrollment in vocational or trade school in the area of civil engineering.
- Must have a valid driver's license and acceptable driving record.
- Ability to work in an outdoor environment in all types of weather and carry heavy loads and longer work hours.
- Good communication skills and ability to work in a team environment.
- Knowledge of computers and software, mathematical concepts, fundamentals and principals.

Tech II

Salary Range: \$19.80 - \$24.44/hr. depending on qualifications/requirements:

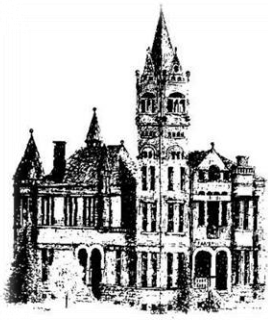

- Graduation from a 2-year vocational or technical school in Civil Engineering or two years of survey or engineering experience
- Ability to read and interpret construction plans.
- Must have a valid driver's license and acceptable driving record.
- Ability to work in an outdoor environment in all types of weather and carry heavy loads and longer work hours.
- Good communication skills and ability to work in a team environment.
- CAD experience is a plus.

Tech III

Salary Range: \$22.61 - \$27.94/hr. depending on qualifications.

Tech II requirements (as stated above), PLUS:

- Graduation from a 2-year vocational or technical school program in Civil Engineering.
- A minimum of three years of experience as a Survey Crew Chief or Construction Inspector.
