Anoka County Commissioner Scott Schulte Elected President of the Association of Minnesota Counties

(St. Paul, MN)— The Association of Minnesota Counties (AMC) is pleased to announce the election of Anoka County Commissioner Scott Schulte to serve as association President in 2019.

As president of AMC, Schulte will preside over board meetings, be the primary spokesperson for the association and represent AMC at both state and nationwide meetings. Schulte will work with the AMC Board of Directors, which includes county commissioners from all corners of the state.

Commissioner Schulte's desire to serve developed over 26 years working alongside his father, a businessman who achieved success by putting his customers first. He purchased the family business in 1998 and continues the legacy of commitment to community service and leadership.

Schulte joined the Anoka County Board in 2013. Prior to that, he was a 13-year member of the Coon Rapids City Council. He is a Rotarian with four Paul Harris Fellowships. His passion for public service pairs well with his affinity for transportation and technology integration.

Other 2019 AMC Officers elected this week include:

Rich Sve, Lake County Commissioner

AMC First Vice President

Todd Patzer, Lac qui Parle Commissioner

AMC Second Vice President

Susan Morris, Isanti County Commissioner

AMC Past President

Mary Jo McGuire, Ramsey County Commissioner

AMC Secretary Treasurer

AMC has been serving Minnesota's 87 counties since 1909. AMC is a voluntary statewide organization that assists the state's 87 counties in providing effective county governance to the people of Minnesota. The association works closely with the legislative and administrative branches of government in seeing that legislation and policies favorable to counties are enacted. In addition, the association provides educational programs, training, research and communications for county officials.
